Part 1: Overview

Welcome to MilitaryINSTALLATIONS (MI) training. This module provides an overview of the MI application and checks your knowledge on some key points. MilitaryINSTALLATIONS is used heavily by service and family members worldwide. It contains information relevant to active duty, guard and reserve. The information is submitted from relocation personnel in the field to a team of MilitaryHOMEFRONT editors who vet the information, make consistency revisions and post to the website. It is a continuous process. It is very valuable to its users and therefore critical that it is kept up-to-date.
